Executive Summary

Busy Bees Locks & Keys is a full-service locksmith company based in San Diego (CA). Established in 2005, Busy Bees provides residential, automotive and commercial locksmith services in all of San Diego County, including Downtown San Diego, and even beyond. We are a family-owned and operated local business, with multiple shops across San Diego County. Every technician at Busy Bees Locksmith is fully trained and certified. Your privacy and safety is paramount to us. Hence, every member of our team is hired after verification to ensure they uphold our customer-first business commitments, and are 100% fit for locksmith duties.
